## REFLECTIONS FROM TOM...

"It's beginning to look a lot like Christmas" ... well, Christmas as I experienced it in South Africa, perhaps! Yes, I know that it is the beginning of the Summer Season here, but I was just thinking about when we once spent the Christmas Season with our family in South Africa. December there is the beginning of Summer! And instead of a "Sleigh Ride", a Safari Ride in a Land Rover is more in order. Rather than "Chestnuts roasting on an open fire", we had their version of brats sizzling over a huge grill, while we wore shorts and sandals. And a holly-jolly Santa Claus in a bright-red fur-lined snow suit? In 90+ degrees? No, "Kersfees Vader" (Father Christmas) is much better acclimated than that!

All of this came to mind as I was pondering a comment and suggestion from our Confirmands recently, that we would do well to put more time and focus on encountering other Faiths, and other Traditions of Christianity, and different ways of being faithful, and so on. And I totally agree with their assessment.

We can get so wrapped up in what is familiar, what we do and how we do it, and the rhythms, sounds, and textures of religion ... that we can miss something important.

In the Madison/Dane County region, there are so many people from all over the world, with greatly diverse beliefs and experiences, that just meeting them, and listening to them, we would have our own faith expanded, learning, growing. We might even ask some deep questions about why we believe what we do, and ... whether we really do what we say we believe!

Yes, the Confirmands are right - we need to interact with the world, its beliefs, its hopes and dreams and prayers and cries, and what better place for that ... than the very place we already live?

Have a happy Summer!

Peace and Joy,  
Rev Tom

## THANK YOU FROM THE WOMEN'S GUILD

The Salem Women's Guild Salad Luncheon was a success! The weather was cooperative, workers were aplenty, and the donation of salads and desserts were plentiful! Including a few generous donations, we took in \$660 for which we are exceedingly grateful. Attendees expressed their joy in the opportunity to attend this event once again, and many compliments were given on the tastiness of the food.

Of course, we couldn't do this without the help of Salem's members, who always come through when requests are made. We give a GREAT BIG THANK-YOU to all the people who donated salads and desserts! We also extend a HEARTFELT THANK-YOU to those who gave of their time to help set up for the event, to those who worked in the kitchen and dining room, and those who helped with the clean-up until the last plate and cup was washed and put back into the cupboard! Along the way, we had good laughs and fellowship, which makes it all the more enjoyable. A final thought is that MANY NEEDY PEOPLE will benefit from all of our efforts because that is the mission of the Women's Guild.

Thank you to everyone, once again, for helping to make the Salad Luncheon a successful event!

## STRENGTHEN THE CHURCH OFFERING

The Strengthen the Church Offering (STC), one of the national special offerings received by the United Church of Christ, furthers the work of our conference and the national UCC as we work together to strengthen and renew existing congregations, fund leadership development, and provide exciting new programs for youth and young adults.

Special envelopes for this offering have not been provided, but checks should be made out to Salem UCC and labeled for Strengthen the Church.

# Salem UCC Pandemic Closing Guidelines

## Effective February 2022

The criteria below is selected to help guide the Church Council Leadership in the event of the consideration of closing the building due to a pandemic. The first category would call the council together to discuss the closing of the building in the event that any one of the three governing bodies below recommend a closing. Further consideration for closing will be guided by information from data provided by the Dane County Public Health Department Pandemic (COVID-19) dashboard, and in particular the links below.

**Criteria Category 1 – Governing Entities**

1. CDC Guideline
2. Dane County Guideline
3. UCC Guideline

**Criteria Category 2 – Evaluation of Data**

1. [Dane County Inpatient Hospitalization Trend \(Slide 7 of 9\)](#)
2. [Dane County ICU Inpatient Trend \(Slide 7 of 9\)](#)
3. [Hospital Capacity in Dane County](#)

# **Stock the Shelves for the Summer!**

## **Food drive begins June 5**

In 2020, Badger Prairie Needs Network provided meals for 10,100 children throughout Dane County. Once school is out for the summer many of these children go hungry as they no longer receive breakfast and/or lunch at school. Hunger and food insecurity increases during the summer break from school. BPNN becomes busier in the summer due to the increased needs of local families. You can help to insure that our school-aged neighbors in need have enough to eat this summer.

**Bring something along every Sunday!**
