MARK-ET PLACE

Nehemiah Days for the Church

These are Nehemiah days for the church. My reference is to the Old Testament Book of Nehemiah and to the recovery of congregational life after the pandemic.

The historical setting of the Book of Nehemiah is easy to describe. The time is about 430 bc. The exile is ended. When Babylon captured the Kingdom of Judah in 586 bc, numbers of Jews – notably the ablest, youngest, and smartest – were carted off to Babylon while those less capable of staging a rebellion were allowed to remain in their Jewish homeland. This, in simplified terms, was the political catastrophe known as the exile. By the time of Nehemiah, Babylon is out of power and those banished to Babylon are allowed to return to Jerusalem and Judea.

The returning exiles find Jerusalem in disrepair. The wall around the city is broken and the city gates have been destroyed by fire. Jerusalem is but a shadow of what it was, and it is vulnerable to new and further attack.

We have not been in political exile, of course, but the pandemic all but closed the church for well over a year. The building is as solid as ever, but the congregation needs to be rebuilt and the church's mission, including its worship, needs to be restored where it can be restored and replaced where it needs to be replaced. Our "Jerusalem," in other words, is broken, burned, and vulnerable.

The Book of Nehemiah tells how the walls and gates of Jerusalem were rebuilt. There isn't space in this column to line out how the work took place. We can only note here that the effort took prayer, work, the labor of families, excellence of stewardship, and the reading of scripture.* The people recalled their history and pledged themselves to new faithfulness. They vowed, "We will not neglect the house of our God" (Neh. 10:39). In time the wall of Jerusalem was rebuilt and its gates were restored. The end result was "the joy of Jerusalem was heard far away" (Neh. 12:43).

I expect to hear the joy of Salem far away as you rebuild and reconstruct your church after the exile that was the pandemic.

I am sure God will send you some "Nehemiah" to lead you in the work. Notice how I framed that sentence: to lead you in the work – not to do all the work for you. The work is yours to do and God expects you to do it.

There are no short-cuts to the rebuilding of the church. The work starts not with the congregation you want and then wishing for it but with the congregation you have and dedicating it toward the purpose of post-pandemic vigor. The effort will take all it took in

the days of Nehemiah: prayer, work, the labor of families, excellence of stewardship, and the study of scripture. Above all, it will take resolve – not on *somebody's* part, but – on *your* part: “We will not neglect the house of our God.”

As for me, I commend you to God and to the “Nehemiah” whom God will send to take my place, all in the confidence of knowing “the joy of the Lord will be your strength” (Neh. 8:10).

MEY

*I do not mean to suggest Nehemiah and his people got everything right. Toward the end of the book, for example, they practiced an exclusiveness we would find offensive today.

OUR GRADUATING SENIORS

Avery Durnen

A lifelong member of Salem, Avery was baptized here as an infant and also celebrated his Confirmation in high school. He regularly attended Sunday school when he was younger and has benefited greatly from his experience in the youth program. Avery specifically highlights his mission trip experiences to Cincinnati, Alamosa (CO), and Madison as influential in understanding himself and how he can use his skills and interests to help others. Participating in Salem's Bell Choir has also encouraged Avery to realize the importance of having music in his life; a hobby he now plans to continue through college and his adult life. Avery's scouting interests regularly intersected with his connections to Salem. He is particularly grateful for the opportunity to create the outdoor labyrinth for the church as his Eagle Scout project. It was a great merger of the values he learned from both organizations, and he is very happy that Salem was the beneficiary of the culmination of his scouting work. Avery is the son of Dan and Charity Durnen and is graduated from Verona Area High School. He plans to pursue a degree in Environmental Engineering at UW-Milwaukee. We will celebrate Avery in worship on July 11.

Anna Putney

Anna Putney has been a lifelong member of Salem UCC. She was baptized in 2003 and confirmed in 2018. In her Salem scholarship application, Anna credits Salem with emphasizing the importance of working for the greater good in every aspect of life. This approach to life has contributed to Anna's desire to pursue a nursing career. She looks forward to healing people physically through her work, but also deeply values cultivating relationships with the individuals receiving her care. The welcome Anna feels at Salem has also encouraged her to seek that same welcome in other areas of her life. This helped her in the college selection process as she instinctively sought a school environment that embodied that same friendly and inclusive atmosphere. Overall, Anna feels the call to dedicate herself to being part of something bigger than herself. Anna is the daughter of Beth and Scott Putney and the granddaughter of Anna May Rhiner. She graduated from Verona Area High School and will pursue a nursing degree at St. Olaf College in Northfield, MN. We will celebrate Anna during worship on July 18.

"Come to the Table"

Dates: Aug. 15, 16, & 17

Time: 5:45-7:45pm

Who: All Ages

Cost: Free!

PROGRAM: Each evening will begin with a community meal followed by programs for children, youth, and adults. Come for the meal only, come for the program only, or come for the entire evening! We will explore three different Bible stories of Jesus hosting people for a meal. Through these versus we will be reminded that Jesus' love changes everything, we always have enough of what we need, and everyone is welcome. The children and youth will enjoy projects, games, Bible stories, music, and more. The older youth and adults will join a discussion group led by Cathy Kwilinski.

PARTICIPANTS: Programs available for all ages. The children's program is geared for children ages 3 and up. We are unable to offer nursery care for younger children this year because of Covid-19 precautions. Youth grades 6-12 have a variety of ways to participate depending on their interests. Please contact Sarah Pundt for more information.

REGISTRATION: Our VBS program is always offered free of charge. We do request that you register in advance to help with our planning.

- Families with children/youth under age 18 must complete a Registration Form and Waiver. (Emailed to Sunday school families and located on the church website)
- Everyone (adults included) attending VBS is asked to complete the "Save You A Seat" form (found on the next page). This helps us plan food quantities and program supplies.

Please return registrations to Sarah Pundt by July 15

MISSION PROJECT: Birthday Kits for BPNN

Our VBS theme focuses on the Christian practice of inviting people into our midst. A great joy for many children is inviting friends to share a birthday cake. For children who face food insecurity birthday celebrations are often limited. As we gather at VBS for our community meals and fellowship, let's work together to create special birthday memories for Dane County families. BPNN provides birthday kits to 200 area children per month. To help make the luxury of a birthday cake a reality for these families, we will be collecting the supplies needed to create birthday kits. Donations can be brought to church through July and early August until the end of VBS. BPNN requests the following items:

- cake mix
- prepared frosting
- 9x13 cake pan
- package of birthday candles
- disposable party plates and napkins (please do not provide items intended to be gender or age specific since we are unable to predetermine which items go to a specific child)
- large gift bags (used to assemble the individual birthday kits)
- monetary donations: check payable to Salem UCC. Write BPNN Birthday Kit in the memo

VOLUNTEERS NEEDED: Volunteers are the backbone of a successful VBS program. Please prayerfully consider how you can support our congregation. Review the volunteer options and contact Sarah Pundt spundt@salemchurchverona.org.

Volunteer at VBS

SERVICE OPPORTUNITIES

Salem Youth Garden Project

The garden is growing like a weed (and growing lots of weeds too!) Blaise Westphal, Amy and Owen Luginbuhl, and Chase and Brianna Runnheim have all taken shifts so far to care for the garden. This produce will be shared with the church congregation and donated to local organizations to help others gain access to locally grown food.

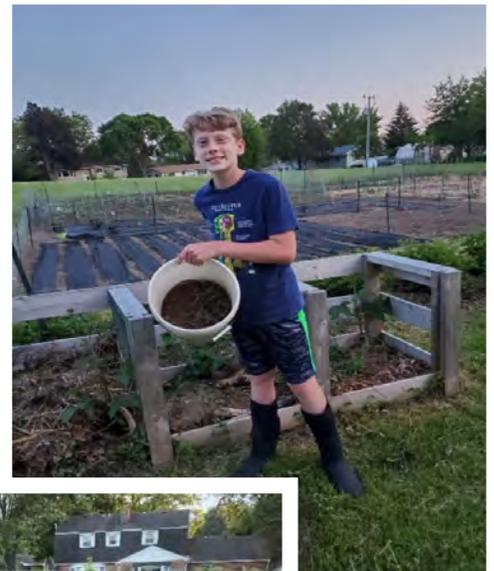

At Your Service

Do you need assistance with lawn mowing, yardwork, outdoor painting, or dog walking? The youth of Salem would like to serve you. They are looking for opportunities to help their Salem community by providing any work that can be done outdoors, or in an otherwise Covid- safe environment. Please contact Sarah Pundt for more information or to schedule a service.

Random Acts of Kindness

We will kickoff this service experience on June 27 at our youth gathering. Each youth will be given \$10 with the challenge to bless someone in the community. Their efforts can benefit a family member, a friend, or a stranger. Results of this challenge will be shared at our July 25 youth gathering and in the August newsletter. It will be exciting to see where the Spirit will move our youth this summer.

We challenge members of the congregation to participate by performing a Random of Act of Kindness. Share your experience and story with the youth by emailing Sarah Pundt spundt@salemchurchverona.org. Let's get that Spirit moving everywhere!
